Sounds Like Café Volume 23 "Best Ever"

Could Sounds Like Café Volume 23 be the Best Ever?

Sounds Like Café Volume 23 kicks off with the brand new single from Ray LaMontagne (SBMG) "You Are The Best Thing" which is sure to be one of the most played tracks on our network this year. It is also the first single to be lifted from Ray's highly anticipated third album "Gossip In The Grain" produced by Ethan Johns (Kings of Leon, Ryan Adams) due out October 14.

The latest installment of this much-loved series also includes a new Eva Cassidy song from her latest release "Somewhere" (Planet/MGM). The track "Ain't Doin' Too Bad" adds a new backing to a live vocal from Eva recorded at the Blues Alley in 1996. Sounds Like Café Volume 23 also features the brand new single from Paul Green, "Some Simplicity" plus a track from former MGF singer/songwriter Pinky Beecroft, "Fabulous Driving".

Australia's largest café music network will also be enjoying the latest from Virginia Younger "Colour My World", the new single from emerging artist Michael Abboud "Time" plus Triple J favourite Kym Campbell with a gorgeous track from her debut album.

The complete line up for Volume 23 is:

Ray LaMontagne, Paul Green, Michael Abboud, Kym Campbell, Eva Cassidy, Pinky Beecroft and the White Russians, Josh Owen, Virginia Younger, Van Sereno, Jane Walker, Extended Family, The Wilkins (Canada), etype, Patrick Carr, Dexter, Daze of Grace (Canada), Dali Srhøj and the Paper Band, Mark Cashin, Ceallach

The feedback from Volume 22 was incredible... here is what a handful of our cafes had to say...

"Always a good selection and we love the Jason Mraz Disc too!" Elai Café, TAS;

"Sounds Like Cafe makes people ask about the music" ER Café, NSW

"SLC gets people talking and bobbing along!!! Good stuff!" Out The Back Café, NSW.
